## Adelino Vicente Mendonça Canário

Centre of Marine Sciences  
University of Algarve  
Campus de Gambelas  
8005-139 Faro, Portugal,  
e-mail: [acanario@ualg.pt](mailto:acanario@ualg.pt)  
tel: (351)289800925

### Education

1989 Ph.D., in Physiology, University of East Anglia, Norwich, UK.  
1982 BSc Biology (Honours), University of Lisbon, Portugal

### Present positions

1995 - Professor of Biology ("Professor Catedrático") at the University of Algarve ([www.ualg.pt](http://www.ualg.pt)), Faro, Portugal.  
1996- Director of the Centre of Marine Sciences, University of Algarve ([ccmar.ualg.pt](http://ccmar.ualg.pt))  
2011- President of CIMAR Associate Laboratory

### Teaching and mentoring of postgraduate students and postdocs

Annual teaching ranges between 180 and 240 hours annually (excludes thesis supervision). Courses taught:

**Cell Biology**, theoretical and practical classes, 1<sup>st</sup> year students of Biology and Marine Biology; **Reproductive Biology**, theoretical and practical classes, MSc Aquaculture and Fisheries; **Marine Ecophysiology**, theoretical classes, MSc students of Marine Biology and ERASMUS MUNDUS MSc Biodiversity and Conservation; **Animal Physiology**, theoretical and occasionally practical classes, 3<sup>rd</sup> year BSc Marine Biology and Fisheries.

Coordinator of PhD programmes on Marine Science and Biological Sciences.

Have supervised 15 PhD students to completion and mentored 10 postdoctoral fellows. Currently mentoring 4 postdocs.

### Research

The main research uses classical endocrinology and genomics tools to investigate the multifunctional role of hormones in reproduction, ion regulation and behaviour in fishes.

Current research projects are funded by the Portuguese Foundation for Science and Technology (FCT) and the European Commission European. Over the last 12 years has participated in 10 EC funded projects (1 as coordinator) of different kinds (research, concerted actions, etc) and 9 National research projects (4 as coordinator), spending annually on average in his research approx. 150 Keuro.

### Publications in peer journals (over 170)
